PERSHING AND PETAIN ENTER TOWN OF ST. MIHIEL

BROOKLYN BOY AND PALS CAPTURE 18 HUNS.

Germans Loot Two Banks Before Leaving—Austrians Found With Enemy.

(By Newton C. Parker.)

With the American Army on the Lorraine front, Sept. 14—(U. N. S.)—Eighteen German prisoners were brought in by Albert Hart, of Brooklyn, and two of his pals. The looting surrendered as soon as the Americans attacked north of Houdenville (to the west of Pont-a-Mousson).

Thus far 12,500 German prisoners have been counted, including an entire division that was bagged in the St. Mihiel salient. The French at one point captured 1,800 prisoners, suffering but a single slight casualty in the operation.

The main allied force is now holding the line of Houdenville, Thilloit, Hattenville, Xammes, Juilly, Thiaucourt and Vieville. It is believed.

The Huns came stumbling through the mud, over the rough ground, with extra loads and clothing that fell into a shell hole, but quickly scrambled to their feet with their eyes and mouths full of mud.

Their comrades could not help laughing at their ludicrous appearance.

William Colbride, of Detroit, brought in six Germans, including one little fellow who was so burdened with extra loads and clothing that he begged Colbride to make one of the other Huns help him to carry them.

Long-range American guns are shelling important railway junctions and German concentration points far behind the enemy's new front.

Gen. Petain, one of the great French heroes developed by the war, entered St. Mihiel with Gen. Pershing soon after the Germans had left. It was found that the Germans had looted two banks and had forced a contribution of 2,000,000 francs. All of the men between the ages of 15 and 45 were carried off.

The crack German Tenth division on the St. Mihiel front had Austro-Hungarian soldiers fighting alongside of it. Some of the prisoners taken by the Americans were from the Thirty-fifth Austro-Hungarian army.

Soldiers of the Tenth German division put up a stiff fight against the Americans emerging from dugouts and the ruins of buildings with bayonets and grenades after the Yankees had fought their way through a deadly hail of machine gun fire.

A great many foreign prisoners were wounded. This was further proof of the efficiency of the American artillery offensive. Most of the Germans in the prisoner pens were youths, but quite a few of them were old men who had been mixed with the boys. The prisoners were apparently well nourished and seemed to be very good fighters.

In one group of 4,000 prisoners nearly 1,200 were noncommissioned officers. A large number of the prisoners surrendered without much of a fight. Many had assembled their raincoats and extra boots and came into our lines carrying these articles of apparel and crying "kamerad."

ELECTION RETURNS FROM THREE COUNTIES

Judge Moses Wright Re-Elected by Majority of Nearly Six Hundred Votes.

LaFayette, Ga., Sept. 14.—(Special.)—From complete returns in the counties of Floyd, Chattooga and Walker, Judge Moses Wright, the popular judge of the superior courts of the home judicial circuit, has been re-nominated to the high position by the magnificent majority of 584 votes over Hon. Wesley Shropshire of Sumner, who has been his opponent in the two last elections in this circuit.

Four years ago Chattooga both gave Mr. Shropshire small majorities, while Judge Wright carried Floyd by a majority of 1,003, not losing a single district in Floyd. Following are the majorities as given by each county:

Chattooga, Shropshire majority, 253
Walker, Shropshire majority, 166
Floyd, Wright majority, 1,003
Wright's majority over Shropshire in entire district, 584

Judge Wright makes an able judge, as shown by his record in the supreme court of Georgia, being reversed less than any superior court judge in the state.

In the race four years ago he was nominated over Shropshire by the close margin of seventeen votes.

In Walker county the opponents of Judge Wright used the courthouse issue, but from the returns it seems that the people are getting over that fact, as shown by his record in the supreme court of Georgia, being reversed less than any superior court judge in the state.

HOPES TO PASS REVENUE BILL NEXT WEEK

Opinion Expressed by Chairman Kitchin Preceding Resumption of Debate.

Washington, Sept. 14.—Resumption of general debate on the \$2,000,000,000 revenue bill by the house today was preceded by an announcement by Chairman Kitchin, of the ways and means committee, that he was still confident that the measure would be passed by the end of next week.

Republican members as well as democratic members of the committee declared that they did not believe any attempt to radically change the bill, when it reaches the amendment stage, would prove successful.

The entire membership of twenty-three of the committee, republican and democratic, voted to favorably report the measure in its present form, and Chairman Kitchin is prepared to combat any effort to amend it materially. It is expected to argue that its speedy passage is urgent because it is a war measure.

Kitchin's announcement in securing the unanimous passage without a roll call of the McAdoo liberty bond tax coupon bill virtually unopposed, on the plea that it was a war measure, and that its endorsing the president with the power to investigate, regulate or prohibit bond transactions was necessary because syndicates were conspiring to force up the interest rate on liberty bonds, he said, inspired administration leaders, they say, with a renewed confidence that he was largely having his way with regard to the revenue bill.

THREE HUNTSVILLE BOYS FALL ON BATTLEFIELD

News Comes in Letter From Soldier to Young Lady Friend.

Huntsville, Ala., Sept. 14.—(Special.)—A letter from a soldier in France to his sweetheart in Huntsville tells of the death of three Huntsville men during the first part of August on the fighting front in the Chateau-Thierry region. They were Harry Cove, of Love Village; Erik Satterfield, of Love Village; and Ben Hope, of West Huntsville, all members of the 12th infantry, of the 1st division, of the 1st corps. The letter was written by Carlisle Patterson, a friend of the three young men, who enlisted with them in the same company in June, 1916.

Coughed Fifteen Years.

Coughs that hang on and grow worse in the night and weaken the sufferer are relieved by Foley's Honey and Tar. Dr. H. Hall, Mabe, Va., writes: "For 15 years I was afflicted with a troublesome, hacking cough and irritation of the throat. Foley's Honey and Tar relieved me; after taking one bottle the cough ceased and has not returned." No medicine stands higher as a family remedy for colds, for children and grown-ups. Trust Me! Try Dodson's Liver Tone! Calomel Harms Liver and Bowels

Read my guarantee! Live your liver and bowels and get straightened up without taking sickening calomel. Don't lose a day's work!

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but doesn't make you sick and can't sallyate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take leading dealers.—(Adv.)
